

# WP GIRLS' HOCKEY

WESTERN PROVINCE HOCKEY  
ACCREDITED

01 June 2019

## Dear WP Girls' Schools Hockey Player

Western Province Girls' Hockey would like to congratulate you and invite you to be part of our High Performance Squad Training for the 2019-2020 pre-season programme.

The High Performance programme is made up of players that have made National, Provincial and Zonal teams and players that have been invited by the WP Girls Committee. The coaches will be experienced past and present National, Provincial and Zonal coaches and will also include specialist coaches and service providers.

Please complete the online registration form below by clicking on the link in order to commit yourself to this incredible programme:

You will see an option to make yourself available for **HOCKEY 5s** over a weekend/s. It is not compulsory, but entry is offered to all our HP players which will certainly raise the standard of the tournament. Girls will be placed in teams, provided with a coach and play against each other, in what is always an action packed event. You will also see an option to click on an overseas tour which R&J will select players for. This year's tour to Holland was an incredible experience and R&J will strive to provide more opportunities of this nature.

WP Girls Schools Hockey and R&J Hockey Academy have agreed to work together to assist any players who might struggle financially to afford the High Performance Squad training. Please email [wpgirlshighperformance@gmail.com](mailto:wpgirlshighperformance@gmail.com) and request further information about financial assistance.

We really do want as many of our players to be exposed to quality training, coaching and the latest trends and techniques in hockey and will assist in whichever way we can in order to make this happen.

Best wishes and good luck for all your tournaments and events this season.
